Languages

- English
- Kannada
- Hindi

Projects

1. Smart Security AI-Driven Video Surveillance for Ongoing Crime Monitoring in Indian Metropolises.

Dec 2023-June 2024

Smart Security AI-Driven Video Surveillance uses advanced AI to monitor and identify suspicious activities in real-time, enhancing urban security in Indian metropolises.

2. StashUp – Personal Expense Tracker

May 2025-June 2025

Built a full-stack MERN app to track income and expenses with JWT-based auth, clean UI, and real-time dashboard.

Used React, Tailwind, Node.js, Express, MongoDB; deployed on Vercel (frontend) and Render (backend).

Live: stashup.vercel.app

3. Smart Medicine Reminder with Touchscreen, Alerts and Messaging

August 2024

Certifications

- Python Learning – Samsung Innovation campus
- AIML – Samsung Innovation Campus
- Microsoft Azure AI (AI-900)
